Sri Putta Kishore Garu
Founder & Chairman

Message from the Chairman

Medicine is not just an occupation or a career but a profession. We at GEMeSphere strive to instill in our students an appreciation of the meaning of service, a love of learning that will stay with them throughout their professional lives and a sense of duty to their patients, their colleagues and their community.

We have designed a program to provide a broad, rigorous and flexible foundation that will enable students to reach their highest potential of achievements. Students are trained to develop sensitivity to the world of the patient and to the social contexts in which medicine is practiced. We are launching an entirely new medical institute curriculum based on integrated and interdisciplinary teaching of basic sciences and clinical medicine. We are truly breaking new ground in Philippines and with introduction of this very innovative curriculum. Student's participation in curriculum innovation and its outcome to determine which innovations are the most effective integral part of this very exciting program.

Come, join us in creating medical history. I promise you an enriching exciting and fulfilling learning experience at AMA School of Medicine, Philippines.

Putta Kishore Kumar
